FOR IMMEDIATE RELEASE:

Financial donation benefits children with hearing loss in Northeastern Wisconsin

(Green Bay, WI) A \$30-thousand dollar donation has been made to Hand-N-Hand (HNH) of Northeastern Wisconsin, Inc. by Andrew and Julie Hetzel. Hand-N-Hand is a non-profit organization that provides support and facilitates resources for families with children experiencing hearing loss. Andrew Hetzel is President/CEO of NPS Corp. in Green Bay. In addition to the Hetzel's donation, NPS Corp. will provide time, talent and support to assist with Hand-N-Hand marketing efforts.

Mr. and Mrs. Hetzel have provided this money as a catalyst to offering more services to local children with hearing loss and inspiring awareness, involvement and support within the community. "I've lived with hearing loss for my entire life," explained Andrew Hetzel. "My wife and I want to help in any way we can to see that children with hearing loss receive quality services from birth on." "Our organization is pleased that the Hetzels understand the value of what we provide to the community and are willing to support our efforts," said Jenny Geiken, Director of Hand-N-Hand. "With their generous donation we are in a position to expand our services to a segment of our community that has been overlooked. We offer the Hetzels our heartfelt thanks."

Hand-N-Hand facilitates a weekly playgroup for children ages birth to five who experience hearing loss, as well as offers parent and community education classes including sign language classes and informational workshops about technology, medical trends, and support programs.
